and protests the granting of Application Number 54032, filed on October 17, 1989

by Las Vegas Valley Water District

to appropriate the waters of Underground situated in Lincoln

County, State of Nevada, for the following reasons and on the following grounds, to wit:

The appropriation of this water when added to the already approved appropriations and dedicated users in the 202 basin will exceed the annual recharge and safe yield of the basin. The undersigned additionally incorporates by reference as though fully set forth herein and adopts as its own, each and every other protest to the aforementioned applications filed pursuant to NRS 533.365.

THEREFORE the protestant requests that the application be Denied (Denied, issued subject to prior rights, etc., as the case may be)

and that an order be entered for such relief as the State Engineer deems just and proper.
