

IN THE OFFICE OF THE STATE ENGINEER OF THE STATE OF NEVADA

IN THE MATTER OF APPLICATION NUMBER
FILED BY Las Vegas Valley Water District
ON October 17, 1989, TO APPROPRIATE THE
WATERS OF Underground

PROTEST

Comes now JOANNE C. EYRAUD

Printed or typed name of protestant

whose post office address is P.O. Box 183; Caliente, Nevada 89008

Street No. or P.O. Box, City, State and Zip Code

whose occupation is Nurse at Nevada State institution, and protests the granting

of Application Number 54033, filed on October 17, 1989

by Las Vegas Valley Water District, to appropriate the

Printed or typed name of applicant

waters of Underground, situated in Lincoln

Underground or name of stream, lake, spring or other source

County, State of Nevada, for the following reasons and on the following grounds, to wit:

The granting or approving of the subject application in the absense of comprehensive
planning, including but not limited to environmental impact considerations, socio-
economic impact considerations, and a water resource plan consideration for the
general Las Vegas Valley area such as has been required by the Public Service Commis-
sion of private purveys of water, is detrimental to the public welfare and interest.

And, the approval of said application would seem to sanction the current willful
waste of water by the Las Vegas Valley Water District's customers. And, that there
is seemingly little water conservation-mindness by land developers in Clark County.

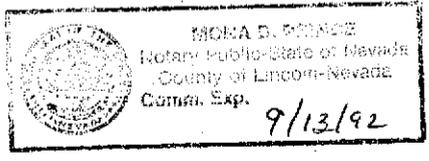

THEREFORE the protestant requests that the application be Denied

(Denied, issued subject to prior rights, etc., as the case may be)

and that an order be entered for such relief as the State Engineer deems just and proper.
