of Application Number 54033, filed on October 17, 1989

by Las Vegas Valley Water District
Printed or typed name of applicant

waters of Underground situated in Lincoln
Underground or name of stream, lake, spring or other source

County, State of Nevada, for the following reasons and on the following grounds, to wit:

The appropriation of this water when added to the already approved appropriations and dedicated users in the 202 Basin will exceed the annual recharge and safe yield of the basin. Diversion and export of such a quantity of water will, lower the static water level in 202 Basin, will adversely affect the quality of remaining ground water and will further threaten springs, seeds and phreatophytes which provide water and habitat critical to the survival of wildlife, grazing livestock and other surface area existing uses.

THEREFORE the protestant requests that the application be Denied
(Denied, issued subject to prior rights, etc., as the case may be)

and that an order be entered for such relief as the State Engineer deems just and proper.
