PROTEST

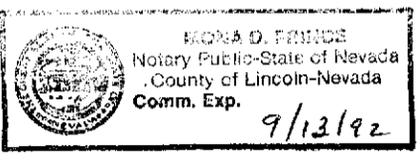

Comes now Mary D. Wilcox

of Application Number 54033 filed on October 17, 1989
by Las Vegas Valley Water District
waters of Underground situated in Lincoln
County, State of Nevada, for the following reasons and on the following grounds, to wit:

The appropriation of this water, when added to the already approved appropriations, in the 202 basin will exceed the annual recharge and safe yield of the basin.
Diversion of such a quantity of water will deprive the county of the water needed for its environment and economic well being and will destroy the environmental, ecological, scenic and recreational values. Water is our life line.

THEREFORE the protestant requests that the application be Denied
