waters of Underground situated in Lincoln
Underground or name of stream, lake, spring or other source

County, State of Nevada, for the following reasons and on the following grounds, to wit:
The appropriation of this water taken out of the area would cause
negative affects of astounding proportions for the people of all rural
areas. The daily basic needs of the people should with no questions
be the number one priority over the money interests of a few Clark County
residents with their golf courses, swimming pools, man made lakes and
waterfalls. Food production should be the ultimate goal.

THEREFORE the protestant requests that the application be Denied
(Denied, issued subject to prior rights, etc., as the case may be)
and that an order be entered for such relief as the State Engineer deems just and proper.
