

IN THE OFFICE OF THE STATE ENGINEER OF THE STATE OF NEVADA

IN THE MATTER OF APPLICATION NUMBER 54034  
FILED BY Las Vegas Valley Water District  
ON October 17, 1989, TO APPROPRIATE THE  
WATERS OF Underground

PROTEST

Comes now Eugene Barry  
whose post office address is 3952 E. Maryland Avenue, Las Vegas, Nevada 89121  
whose occupation is Auditor, and protests the granting  
of Application Number 54034, filed on October 17, 1989  
by Las Vegas Valley Water District  
waters of Underground situated in Lincoln  
County, State of Nevada, for the following reasons and on the following grounds, to wit:

This application is one of 144 applications filed by the Las Vegas Valley Water District seeking a combined appropriation of some 860,000 acre-feet of ground and surface water for municipal use in the Las Vegas Valley Artesian Basin. Diversion and export of such a quantity of water will deprive the county and area of origin of the water needed for its environment and economic well being and will unnecessarily destroy environmental, ecological, scenic and recreational values that the State holds in trust for its citizens.

The approval of the subject application will sanction and enhance the willful waste of water allowed, if not encouraged, by the Las Vegas Water District.

THEREFORE the protestant requests that the application be Denied  
(Denied, issued subject to prior rights, etc., as the case may be)  
and that an order be entered for such relief as the State Engineer deems just and proper.

Signed Eugene Barry  
Agent of protestant
