by Las Vegas Valley Water District

Printed or typed name of applicant

to appropriate the

waters of Underground

Underground or name of stream, lake, spring or other source

situated in Lincoln

County, State of Nevada, for the following reasons and on the following grounds, to wit:

*The appropriation of this water when added to the already approved appropriations & dedicated uses in the 202 Basin will exceed the annual recharge & safe yield of the basin. Appropriations & use of this magnitude will lower the water table & degrade the quality of water from existing wells. Cause negative hydraulic gradients influences, further cause other negative impacts & will adversely affect existing rights adverse to the public interest. It would limit growth & prevent development in our County.*

THEREFORE the protestant requests that the application be Denied

(Denied, issued subject to prior rights, etc., as the case may be)

and that an order be entered for such relief as the State Engineer deems just and proper.

Signed Katherine Ernst
