by Las Vegas Valley Water District
Printed or typed name of applicant to appropriate the

waters of underground source situated in Coyote Springs Valley
Underground or name of stream, lake, spring or other source Clark County

County, State of Nevada, for the following reasons and on the following grounds, to wit:

1. ~~It is unfair, unjust, and unconscionable to allow a powerful political entity such as the LVVWD to place a stranglehold on development in this rural area. This happens when control of the water is given to someone outside the area.~~
2. ~~Diversion and export of large quantities of water from Coyote Springs Valley will probably take the water level down in Moapa Valley and the Warm Springs area. It will adversely affect the quality of remaining ground water and further threaten springs and seeps which provide water and habitat for wildlife and livestock.~~
3. ~~The undersigned additionally incorporates by reference as though fully set forth herein and adopts as his own, each and every other protest to the subject application filed pursuant to NRS 533.365.~~

THEREFORE the protestant requests that the application be DENIED
(Denied, issued subject to prior rights, etc., as the case may be)

and that an order be entered for such relief as the State Engineer deems just and proper.
