whose occupation is Retired, and protests the granting

of Application Number 63881, filed on March 2, 19 98

by Five Creek Limited Liability to appropriate the

waters of Unnamed Spring situated in Douglas
Underground or name of stream, lake, spring or other source

County, State of Nevada, for the following reasons and on the following grounds, to wit:

- Five Creek had no water rights when they purchased the property and were allowed
to drill two large wells to handle their usage.

- Every time they move water it kills the vegetation and fills my water source with
rocks and debris.

- The proposed usage on the map they filed is Sheridan Creek and they have no rights there

- Any water they move will have to drain down the hill and cause some flooding in
the spring.

THEREFORE the protestant requests that the application be Denied
Denied, issued subject to prior rights, etc., as the case may be

and that an order be entered for such relief as the State Engineer deems just and proper.
