Attachment to Protest

Protestant is the owner of vested artesian underground water rights and water rights to springs, as well as permitted underground water rights, all within Basin 21 (Smoke Creek Desert).

The above application is protested on the following grounds:

1. Based on existing and pending applications, there is no unappropriated water in Basin 21; as a consequence, granting the above application will exceed the perennial or safe yield of Basin 21.
2. The above application, if granted, will conflict with existing and prior rights.
3. The point of diversion described in the above application will interfere with protestant's prior and existing rights.
4. The granting of the above application will be detrimental to the public interest.
