

IN THE OFFICE OF THE STATE ENGINEER OF THE STATE OF NEVADA

IN THE MATTER OF APPLICATION NUMBER 71225
FILED BY Vidler Water Company
ON 8/16/04, TO APPROPRIATE THE
WATERS OF Basin 163

PROTEST

Comes now Dorothy McCracken

whose occupation is Self Employed and protests the granting
of Application Number 71225, filed on 8/16/04
by Vidler Water Company to appropriate the
Printed or typed name of applicant
waters of Basin 163 situated in Clark
(Underground or name of stream, lake, spring or other source)
County, State of Nevada,

for the following reasons and on the following grounds, to wit:

Vidler's "map" is too generic and doesn't pinpoint what they plan to do with the water rights. Interestingly, it seeks to serve the California side of the basin, which means Vidler is asking the Nevada State Engineer to grant them rights to water in California. Since the State Engineer has made it clear that he doesn't control water rights in California, he cannot grant this application as requested.

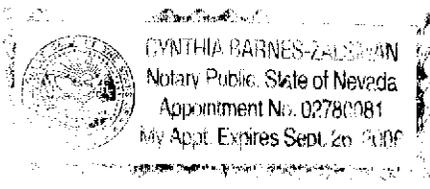

THEREFORE the protestant requests that the application be Denied
(Denied, issued subject to prior rights, etc., as the case may be)

and that an order be entered for such relief as the State Engineer deems just and proper.
