

IN THE OFFICE OF THE STATE ENGINEER OF THE STATE OF NEVADA

IN THE MATTER OF APPLICATION NUMBER 72909
FILED BY JU Properties, LLC
ON 6-7-05, TO APPROPRIATE THE
WATERS OF Basin 163

PROTEST

Comes now ELAINE M. CLARK
Printed or typed name of protestant

whose post office address is HCR 37, Box 461, SANDY VALLEY, NV 89019-8623
Street No. or P.O. Box, City, State and Zip Code

whose occupation is RETIRED, and protests the granting

of Application Number 72909, filed on 6-7-05

by JU Properties, LLC
Printed or typed name of applicant to appropriate the

waters of Sandy Mesquite Basin 163
Underground or name of stream, lake, spring or other source situated in Clark

County, State of Nevada, for the following reasons and on the following grounds, to wit:

In Ruling 5132, the State Engineer set aside 672 afa for future growth. This application for 3600 afa, exceeds that amount by near 6 times. The estimates for future growth depended on Sandy Valley remaining a rural area, each household located on 2.5 acres. Although the application doesn't specifically say how the water will be used besides "municipal," it is clear that their intent is to put high-density housing in this basin. The water resource in the basin cannot accommodate high-density housing.

THEREFORE the protestant requests that the application be Denied
(Denied, issued subject to prior rights, etc., as the case may be)

and that an order be entered for such relief as the State Engineer deems just and proper.
