whose occupation isManager of Research and Development and protests the granting

of Application Number75400....., filed onFebruary 28 th....., 20.07.....

byGolden Reef Mining Company.....to appropriate the

waters ofAn Underground Source.....Water Basin #164A.....situated in ...Clark.....
Underground or name of stream, lake, spring or other source

County, State of Nevada, for the following reasons and on the following grounds, to wit:

Basin #164A is already over appropriated and additional pumpage could have an adverse affect on existing ground water rights in the area. There is already a permitted well (# 64208) on the parcel that is not being used. This existing well should yield enough water for a large Aggregate operation.

THEREFORE the Protestant requests that the application beDENIED.....
Denied, issued subject to prior rights, etc., as the case may be

and that an order be entered for such relief as the State Engineer deems just and proper.
