Comes now Anita J. Griffin  
whose post office address is P.O. Box 97, Amargosa Valley, NV 89020  
whose occupation is Retired and protests the granting  
of Application Number 76229, filed on September 6, 2007  
by Rockview Dairies, Inc. to appropriate the  
waters of underground source in Amargosa Valley, Nye  
County, State of Nevada, for the following reasons and on the following grounds, to wit:

As a 31-year resident of Amargosa Valley, and with three grown children who have also "settled here", I am concerned with how much water the "dairies" have already taken. There is no "city water", and if the amount of water the dairies pump is increased, the residents of our valley will all have to drill our wells deeper. From a geologist's point of view, the "funnel effect" is already happening. Friends of mine had to drill deeper wells, and eventually I will have to also - at who's expense?  
Expansion of the dairies pumping, only means more flies and rotten stench on our valley.

THEREFORE the Protestant requests that the application be Denied  
and that an order be entered for such relief as the State Engineer deems just and proper.
