whose occupation is Retired and protests the granting
of Application Number 76230, filed on September 6, 2007
by Rockview Dairies Inc. to appropriate the
waters of underground source situated in Amargosa Valley, Nev.
Underground or name of stream, lake, spring or other source

County, State of Nevada, for the following reasons and on the following grounds, to wit:

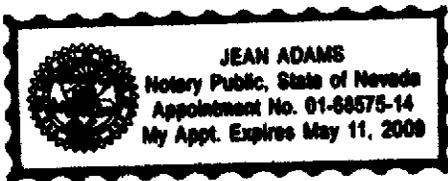

As a Nye County Nevada resident, I protest the application to transfer water rights in Amargosa Valley by Rockview Dairies, Inc. My well was drilled in the spring 1980, by Cook drilling and at that time the water table was at 46 feet. Another well was drilled very close to mine in October 2007 and the water table has dropped to 82 feet. My well is 150 deep and my pump 120 feet down and I am pulling up sediment. I feel that this is due to the increased flow toward the Dairy. I had to install a water filter for the house. When the Dairy sucks the area wells dry, will the Dairy replace my well? At the rate they are buying up and moving water rights, it won't be long!

THEREFORE the Protestant requests that the application be DENIED
Denied, issued subject to prior rights, etc., as the case may be
and that an order be entered for such relief as the State Engineer deems just and proper.
