waters of an under ground source situated in Amargosa Valley, Nye

Underground or name of stream, lake, spring or other source

County, State of Nevada, for the following reasons and on the following grounds, to wit:

I am a resident in Amargosa Valley and I am very concerned about our water. The Dairy has continually been purchasing large amounts of water rights and moving them to other sites in the Valley. According to the 2004 Geological Survey, a funnel affect is noted at the present Dairy site on Mecca Road. Some neighboring wells have already been affected by the drop in the water table.

THEREFORE the Protestant requests that the application be denied

Denied, issued subject to prior rights, etc., as the case may be

and that an order be entered for such relief as the State Engineer deems just and proper.
