PROTEST

In the Matter of Application Number 76291  
Filed By Road and Highway Builders, LLC  
on September 17, 2007, For Permission to  
Change the Point of Diversion, Place and  
Manner of Use of a Portion of Water  
Appropriated under Permit No. 59297,  
Certificate Number 14171

Comes now The Pyramid Lake Paiute Tribe of Indians, whose post office address is P.O. Box 256, Nixon, Nevada 89424, whose occupation is a federally recognized Tribe of Indians, the governing body of the Pyramid Lake Indian Reservation, organized pursuant to the Indian Reorganization Act of 1934, with a Constitution and By-laws approved by the Secretary of Interior, and protests the granting of Application Number 76291, filed on September 17, 2007 by Road and Highway Builders, LLC, for permission to change the point of diversion, place, and manner of use of a portion of water appropriated under Permit No. 59297, Certificate No. 14171, for the following reasons and on the following grounds, to wit:

1. Granting the application would threaten to prove detrimental to the public interest in light of the over-appropriation of the groundwater available in the basin, and the resulting inability of the perennial yield to serve existing permits and commitments with groundwater, and in light of the obligations of the State Engineer pursuant to NRS Chapters 533, 534, and 278 to require that there be adequate plans to protect existing rights, uses and commitments of groundwater, and to exercise all appropriate authority and discretion to control over-demand on the source and to protect both the public and other right holders of both surface and groundwater rights.

2. Upon information and belief, the transfer involves water rights that have been forfeited and/or abandoned and the application should therefore be denied.

3. The applicant is requesting to transfer the full water duty from the existing irrigation and domestic use to a mining and milling use which is contrary to previous rulings by the State Engineer and Administrative Provision VII of the Alpine Decree, which states unconditionally that change in manner of use applications from a use for irrigation to any other use are limited only to the net consumptive use of the water right sought to be changed. If granted, the application should be limited to the consumptive use of the water right sought for transfer.

OX

4. Granting the application would threaten to prove detrimental to the Tribe, to the purposes for which the Pyramid Lake Indian Reservation was created, and to the public interest, by depleting flows in the Carson River and reducing inflows to Lahontan Reservoir, for the reasons stated above, to the detriment of senior surface water right holders in the Newlands Project, which senior right holders are entitled to divert Truckee River water through the Truckee Canal to make up for insufficient Carson River flows which are the primary source to satisfy their rights, and which greater diversions of Truckee River water away from Pyramid Lake would operate to the detriment of the threatened and endangered species inhabiting Pyramid Lake and the lower Truckee River, and impair instream flows.

5. Granting the application may threaten to prove detrimental to the public interest in ways that are not yet known to this Protestant, but which may arise or first become known to this Protestant in the period between the date of filing of the Application and the hearing on the protested Application - by way of example Fernley's Application #57555 was filed on May 1, 1992, and the hearing was not held until February 6, 2006 - and in light of the position of the State Engineer that a specifically stated protest ground may not be amended regardless of the extensive passage of time between the date the protest is required to be filed, and the date of the hearing on a protested application.

6. Granting the application would threaten to prove detrimental to the public interest.

7. This Protestant incorporates in this Protest by reference as if fully set forth herein every relevant protest ground set forth in any other Protest filed by any other Protestant regarding this application.
