Underground or name of stream, lake, spring or other source

State of Nevada, for the following reasons and on the following grounds, to wit:

As a resident of Amargosa Valley, I protest the Dairy continually moving water rights to their Mecca location. The continued consumption of water by the Dairy has lowered our water table considerably and eventually my well will dry up. I feel that the Dairy is liable for the cost of drilling deeper wells for the residents affected by this enormous water consumption.

THEREFORE the Protestant requests that the application beDENIED.....
Denied, issued subject to prior rights, etc., as the case may be
and that an order be entered for such relief as the State Engineer deems just and proper.
