whose occupation is .....Retired..... and protests the granting of Application Number ....76794,

filed on .....May 19, 2008.....by .....Rockview Dairies, Inc.....to appropriate the

waters of .....underground.....situated in .....Amargosa Valley, Nye County,  
Underground or name of stream, lake, spring or other source

State of Nevada, for the following reasons and on the following grounds, to wit: I am very concerned about the water in Amargosa Valley. The Dairy has been continually purchasing water rights in other parts of the Valley and transferring them to their Mecca location and surrounding fields. This is causing a funnel affect (to the dairy) and neighboring wells are being affected. My well is west of the Dairy and is starting to collapse due to the great drop in the water table since the dairy began operation. I feel that the Dairy is liable for the cost of drilling deeper wells for the area residents who are affected by this enormous water consumption.

THEREFORE the Protestant requests that the application be .....DENIED.....  
Denied, issued subject to prior rights, etc., as the case may be  
and that an order be entered for such relief as the State Engineer deems just and proper.
