PROTEST

Comes now Pamela Smith
Printed or typed name of protestant
whose post office address is HR 31 BOX 180 SANDY VALLEY, NEVADA 89019
Street No. or P.O. Box, City, State and Zip Code
whose occupation is PLUMBER / PIPE FITTER and protests the granting
of Application Number 77275 filed on 8/1/08
by JV Properties, LLC to appropriate the
Printed or typed name of applicant
waters of SANDY-Mesquite Valley Basin 163 situated in Clark
Underground or name of stream, lake, spring or other source
County, State of Nevada, for the following reasons and on the following grounds, to wit:

The point of use (POU) in this request is "the entire Mesquite basin." We don't understand what that means, but know that it is excessive and probably purely speculative. JV Properties needs to clarify just what they will be using the water for, and specifically where. "The entire Mesquite basin" includes California, which the State Engineer does not control. Therefore, he cannot grant this request.

THEREFORE the protestant requests that the application be Denied
(Denied, issued subject to prior rights, etc., as the case may be)
and that an order be entered for such relief as the State Engineer deems just and proper.
