whose occupation is Retired and protests the granting
of Application Number 77275 filed on 8/1/08
by JV Properties, LLC to appropriate the
Printed or typed name of applicant
waters of SANDY-Mesquite Valley Basin 163 situated in Clark
Underground or name of stream, lake, spring or other source
County, State of Nevada, for the following reasons and on the following grounds, to wit:

In the now withdrawn Ruling 5132, the State Engineer determined that there are no more water rights available in this basin and had, in fact, created 700 afa of "paper" water in order to make an award to Vidler Water Company. We believe that this request for 2000 afa is definitely excessive and should not be awarded.

THEREFORE the protestant requests that the application be Denied
(Denied, issued subject to prior rights, etc., as the case may be)
and that an order be entered for such relief as the State Engineer deems just and proper.
