PROTEST

Comes now SCOTT W. GRIESMAN  
Printed or typed name of protestant  
whose post office address is 807 LINDBERGH BOX 453 HRC 37 SANDY VALLEY NV 89019  
Street No. or P.O. Box, City, State and Zip Code  
whose occupation is RETIRED and protests the granting  
of Application Number 77275 filed on 8/1/08  
by JV Properties, LLC to appropriate the  
Printed or typed name of applicant  
waters of SANDY-Mesquite Valley Basin 163 situated in Clark  
Underground or name of stream, lake, spring or other source  
County, State of Nevada, for the following reasons and on the following grounds, to wit:

The point of use (POU) in this request is "the entire Mesquite basin." We don't understand what that means, but know that it is excessive and probably purely speculative. JV Properties needs to clarify just what they will be using the water for, and specifically where. "The entire Mesquite basin" includes California, which the State Engineer does not control. Therefore, he cannot grant this request.

THEREFORE the protestant requests that the application be Denied  
(Denied, issued subject to prior rights, etc., as the case may be)

and that an order be entered for such relief as the State Engineer deems just and proper.
