STATE ENGINEER'S OFFICE

IN THE MATTER OF APPLICATION NUMBER 77565  
FILED BY Robinson Nevada Mining Company  
ON November 3, 2008, TO APPROPRIATE THE  
WATERS OF the State of Nevada

PROTEST

Comes now Murry Springs Bottling Company, Inc.

whose post office address is P.O. Box 151330 Printed or typed name of protestant  
Ely, NV 89315 Street No. Or P.O. Box, City, State and Zip Code.

whose occupation is a water bottling company and protests the granting

of Application Number 77565, filed on November 3, 2008

by Robinson Nevada Mining Company to appropriate the

waters of underground source situated in Section 14, T16N, R62E  
Underground or name of stream, lake, spring or other source

County, State of Nevada, for the following reasons and on the following grounds, to wit:

~~Murry Springs Bottling Company, Inc. is an on-site water bottling company. Our weekly observations at the overflow weir (which is approx. 35 feet from our plant) have been that the level of water has been steadily declining over the past two years. This last year it has been necessary for the City of Ely to manually open and close our water box, whereas in previous years we had plenty of water. It is my opinion that if the water applications are granted, Murry Springs will run dry. It could put Murry Springs Bottling Company, Inc. out of business.~~

THEREFORE the Protestant requests that the application be Denied

Denied, issued subject to prior rights, etc., as the case may be

and that an order be entered for such relief as the State Engineer deems just and proper.
