of Application Number 77833, filed on January 20th, 20 09
by United States of America, US Department of Energy, 1551 Hillshire Drive, Las Vegas, NV 89134 to appropriate the
waters of an underground source in Basin 171 situated in Nye County

Underground or name of stream, lake, spring or other source

County, State of Nevada, for the following reasons and on the following grounds, to wit:

Protestant farms and grazes livestock in Coal Valley. The proposed Application is of concern due to its potential impact on existing water rights held by Protestant in this hydrographic area. These rights include permitted as well as vested water rights. Protestant and his family have relied on these water sources for many years. The proposed Application will adversely effect Protestant's water rights, access to water rights and his ability to maintain a viable farming and ranching operation.

THEREFORE the Protestant requests that the application be DENIED

and that an order be entered for such relief as the State Engineer deems just and proper. Denied, issued subject to prior rights, etc., as the case may be
