by United States of America, US Department of Energy, 1551 Hillshire Drive, Las Vegas, NV 89134 to appropriate the

The proposed Application will adversely effect Protestant's water rights, access to water rights and his ability to maintain a viable farming and ranching operation.

Denied, issued subject to prior rights, etc., as the case may be  
and that an order be entered for such relief as the State Engineer deems just and proper.
