County, State of Nevada, for the following reasons and on the following grounds, to wit:

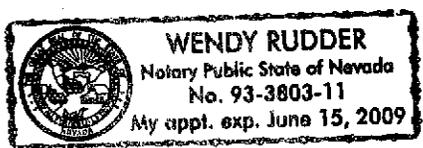

Considering the existing ground – water permits and pending applications, the granting of these permits could potentially injure prior rights, and is not in the best interest of the public. The DOE withdrawal quantity of 5 wells could lower static water level in Basin 172 below economically feasible levels to pump, affecting current filings.

THEREFORE the Protestant requests that the application be.....Denied.....
Denied, issued subject to prior rights, etc., as the case may be
and that an order be entered for such relief as the State Engineer deems just and proper.
