of Application Number 19267, filed on January 28, 20 10  
by SNWA to appropriate the

waters of Snake Valley - underground situated in White Pine  
Underground or name of stream, lake, spring or other source  
County, State of Nevada, for the following reasons and on the following grounds, to wit:

~~X~~ 1. There is insufficient unappropriated water in the proposed source of supply; ~~X~~ 2. Proposed use would conflict with existing water rights and protectable interests in domestic and/or ranch production and/or municipal wells; ~~X~~ 3. Proposed use would be detrimental to the public interest on environmental grounds and would be environmentally unsound for the export basin; ~~X~~ 4. Proposed use would be detrimental to the public interest on economic grounds and would unduly limit future growth and development in the export basin; ~~X~~ 5. Proposed action is not an appropriate long-term use of water; ~~X~~ 6. Applicant has not justified the need to import water from another basin; ~~X~~ 7. Applicant has not implemented a sufficient water conservation plan; and ~~X~~ 8. Applicant has not demonstrated good faith intent or financial ability and reasonable expectation to actually construct the work and apply the water to the intended beneficial use with reasonable diligence. ~~X~~ Protestant reserves the right to amend this protest to include issues as they develop. ~~X~~ Protestant incorporates other protests to SNWA's applications by reference.

THEREFORE the Protestant requests that the application be Denied  
Denied, issued subject to prior rights, etc., as the case may be  
and that an order be entered for such relief as the State Engineer deems just and proper.

**ATTACHMENT TO PROTEST OF Margaret Horner AGAINST  
APPLICATION NO. 79267, FILED January 28 2010,  
BY THE SOUTHERN NEVADA WATER AUTHORITY**

This attachment lists and briefly describes the reasons and grounds for this protest of Margaret Horner ("Protestant") against Application Number 79267. The Southern Nevada Water Authority ("SNWA" or "Applicant") has filed this Application to appropriate groundwater from Snake Valley - underground as part of its massive proposed network of wells and pipelines stretching across eastern Nevada from Clark County through Lincoln County and into White Pine County (the "Pipeline Project").

- 1. There is insufficient water available in the proposed source of supply.
- 2. The application and proposed use would conflict with existing water rights and protectable interests in domestic and/or ranch production and/or municipal wells.
- 3. The appropriation and export of water proposed in this application would be detrimental to the public interest on environmental grounds and would be environmentally unsound as it relates to the proposed export basin:
  - Harm to wildlife and wildlife habitat:
  - Degradation of air quality:
  - Destruction of recreational and aesthetic values:
  - Degradation of water quality:
  - Degradation of cultural resources:
  - Harm to state parks and state and federal wildlife refuges
  - Harm to the Great Basin National Park including water, air, ecosystem, view shed, resources
- 4. The appropriation and export of water proposed in this application would be detrimental to the public interest on economic grounds and would unduly limit future growth and development in the basin from which the export is proposed:
  - Undue limitation of future economic activity and growth in the basin of origin:
  - Undue economic harm will extend to the economies and communities of downgradient hydrologically connected and downwind basins.
  - Loss of public lands grazing and forage
- 5. The proposed action is not an appropriate long-term use of Nevada's water:
- 6. The Applicant has not justified the need to import water from another basin:
- 7. The Applicant has not implemented a sufficient conservation plan.
- 8. The Applicant has not demonstrated the good faith intent or financial ability and reasonable expectation to actually construct the work and apply the water to the intended beneficial use with reasonable diligence.
  - Changed circumstances, uncertain intent, doubtful financing:
  - Failure to demonstrate ability to access land containing point of diversion.
- 9. Protestant reserves the right to amend this protest to include issues as they develop.
- 10. Protestant incorporates other protests to SNWA's applications by reference.
