 - Undue limitation of future economic activity and growth in the basin of origin:
 - Undue economic harm will extend to the economies and communities of downgradient hydrologically connected and downwind basins.
 - Loss of public lands grazing and forage
 - 5. The proposed action is not an appropriate long-term use of Nevada's water:
 - 6. The Applicant has not justified the need to import water from another basin:
 - 7. The Applicant has not implemented a sufficient conservation plan.
