of Application Number 79271, filed on January 28, 2010, 20

by Southern Nevada Water Authority to appropriate the

waters of Snake Valley Underground situated in White Pine
Underground or name of stream, lake, spring or other source

County, State of Nevada, for the following reasons and on the following grounds, to wit:

1. There is insufficient unappropriated water in the proposed source of supply; 2. Proposed use would conflict with existing water rights and protectable interests in domestic and/or ranch production and/or municipal wells; 3. Proposed use would be detrimental to the public interest on environmental grounds and would be environmentally unsound for the export basin; 4. Proposed use would be detrimental to the public interest on economic grounds and would unduly limit future growth and development in the export basin; 5. Proposed action is not an appropriate long-term use of water; 6. Applicant has not justified the need to import water from another basin; 7. Applicant has not implemented a sufficient water conservation plan; and 8. Applicant has not demonstrated good faith intent or financial ability and reasonable expectation to actually construct the work and apply the water to the intended beneficial use with reasonable diligence. Protestants reserves the right to amend this protest to include issues as they develop. Protestants incorporates other protests to SNWA's applications by reference. As holders of permit # 66734, certificate # 16910 (Spring Hill Spring) we are certain that this application will negatively affect our existing right.

THEREFORE the Protestants requests that the application be Denied

Denied, issued subject to prior rights, etc., as the case may be

and that an order be entered for such relief as the State Engineer deems just and proper.
