**ATTACHMENT TO PROTEST OF Deana Alder AGAINST**  
**APPLICATION NO. 79272, FILED Jan 28, 2010,**  
**BY THE SOUTHERN NEVADA WATER AUTHORITY**

This attachment lists and briefly describes the reasons and grounds for this protest of Deana Alder ("Protestant") against Application Number 79272. The Southern Nevada Water Authority ("SNWA" or "Applicant") has filed this Application to appropriate groundwater from \_\_\_\_\_ as part of its massive proposed network of wells and pipelines stretching across eastern Nevada from Clark County through Lincoln County and into White Pine County (the "Pipeline Project").

- 1. There is insufficient water available in the proposed source of supply.
- 2. The application and proposed use would conflict with existing water rights and protectable interests in domestic and/or ranch production and/or municipal wells.
- 3. The appropriation and export of water proposed in this application would be detrimental to the public interest on environmental grounds and would be environmentally unsound as it relates to the proposed export basin:
  - Harm to wildlife and wildlife habitat:
  - Degradation of air quality:
  - Destruction of recreational and aesthetic values:
  - Degradation of water quality:
  - Degradation of cultural resources:
  - Harm to state parks and state and federal wildlife refuges
  - Harm to the Great Basin National Park including water, air, ecosystem, view shed, resources
- 4. The appropriation and export of water proposed in this application would be detrimental to the public interest on economic grounds and would unduly limit future growth and development in the basin from which the export is proposed:
  - Undue limitation of future economic activity and growth in the basin of origin:
  - Undue economic harm will extend to the economies and communities of downgradient hydrologically connected and downwind basins.
  - Loss of public lands grazing and forage
- 5. The proposed action is not an appropriate long-term use of Nevada's water:
- 6. The Applicant has not justified the need to import water from another basin:
- 7. The Applicant has not implemented a sufficient conservation plan.
- 8. The Applicant has not demonstrated the good faith intent or financial ability and reasonable expectation to actually construct the work and apply the water to the intended beneficial use with reasonable diligence.
  - Changed circumstances, uncertain intent, doubtful financing:
  - Failure to demonstrate ability to access land containing point of diversion.
- 9. Protestant reserves the right to amend this protest to include issues as they develop.
- 10. Protestant incorporates other protests to SNWA's applications by reference.
