and protests the granting

of Application Number 79525, filed on Feb. 11, 2010

by Ruby Pipeline, LLC to appropriate the

waters of underground source situated in Humboldt

Underground or name of stream, lake, spring or other source

County, State of Nevada, for the following reasons and on the following grounds, to wit:

Protestant owns water permits #62822 and #62823, which has the same point of diversion as new application #79525. Protestant also owns the well existing at that location, and the underlying fee property known as Section 15. Protestant has entered into an agreement to lease water permits #62822 and #62823 and the well to Ruby Pipeline to enable pipeline construction, but has not agreed to filing a new application owned by Ruby Pipeline for the well. Application #79525, owned by Ruby Pipeline, is inappropriate and has no legal basis to be located on Protestants fee land and wellsite.

THEREFORE the Protestant requests that the application be denied

Denied, issued subject to prior rights, etc., as the case may be

and that an order be entered for such relief as the State Engineer deems just and proper.

Signed
