whose occupation is Rancher and protests the granting
of Application Number 79602, filed on 18th day of February, 20 10
by Harold Wittwer to appropriate the
waters of underground source situated in Lincoln

Underground or name of stream, lake, spring or other source

County, State of Nevada, for the following reasons and on the following grounds, to wit:

Harold has just requested with Lincoln County to subdivide this property into 2 1/2 acre lots to be sold. We feel this extension of water rights for the entire year is not needed for irrigation purposes as no crops are raised there [especially in the winter months] and in fact as far as we know Harold has not developed or used the water he now has for irrigation since he owned the property. Is this for the purpose of splitting the 21 acre feet and selling the rights with the 2 1/2 lots?

THEREFORE the Protestant requests that the application be Denied

Denied, issued subject to prior rights, etc., as the case may be

and that an order be entered for such relief as the State Engineer deems just and proper.
