and protests the granting

of Application Number 80571

, filed on 11 February

, 20 11

by Southern Nevada Water Authority

for the

waters of an underground source

situated in Lincoln County

an underground source or name of stream, lake, spring or other source

County, State of Nevada, for the following reasons and on the following grounds, to wit:

- 1) 8-Mile Farms, LLC currently holds a certificate of Beneficial Use from this point of Diversion. The POD is on an adjudicated BLM grazing allotment that 8-Mile Farms, LLC holds rights to graze on. We have been granted prior right to the use of this POD.
2) Southern Nevada Water Authority has no authority to own ranches or graze livestock, so it is impossible for them to prove Beneficial Use for stockwatering purposes.
3) It is not in the Public Interest for a government entity to take over the production of goods (livestock). This is simply not an authorized activity for this governmental entity.

THEREFORE the Protestant requests that the application be

Denied

Denied, issued subject to prior rights, etc., as the case may be

and that an order be entered for such relief as the State Engineer deems just and proper.
