IN THE MATTER OF APPLICATION NUMBER 81058

FILED BY Southern Nevada Water Authority

PROTEST FILED NOV 28 2011 STATE ENGINEER'S OFFICE

whose post office address is 1755 E. Plumb #170, Reno NV 89502

whose occupation is a Non-profit organization

of Application Number 81058, filed on 08/12/2011

by the Southern Nevada Water Authority to appropriate the

waters of SPRING (BACON SPRING) situated in WHITE PINE County (SPRING VALLEY - 184),

State of Nevada, for the following reasons and on the following grounds, to wit:

- 1) the applications would prove detrimental to public interest by drying the spring, wetlands, and riparian areas of and around BACON SPRING and affecting wildlife dependent on this and down stream water sources and wildlife habitat.
2) the applications would conflict with existing water rights either directly or by preventing natural recharge of basin-fill aquifers, reducing perennial yield, and adversely affecting senior water rights, also dependent on flows from BACON SPRING.
3) the applications would be an inappropriate use for irrigation on a year-round basis.
4) there is insufficient water for appropriation.

THEREFORE the Protestant requests that the application be DENIED

and that an order be entered for such relief as the State Engineer deems just and proper.
