, filed on APRIL 26

by DANIEL S. VENTURACCI

for the

waters of UNDERGROUND

situated in EUREKA

an underground source or name of stream, lake, spring or other source

County, State of Nevada, for the following reasons and on the following grounds, to wit:

1. Granting of Application 81825 would be in direct conflict with State Engineer Order 717 which states, "All applications filed after December 31, 1978 to appropriate ground water for irrigation purposes on any land within the Diamond Valley Ground Water Basin will be denied."
2. My water rights for irrigation and two domestic wells are in close proximity to the lands identified in Application 81825. Granting of Application 81825 would conflict with my existing rights and the protectable interest in my domestic wells and threatens to prove detrimental to my family's interests and livelihood.
3. I request that if a hearing on this application is held by the State Engineer, that it be held in Eureka.

THEREFORE the Protestant requests that the application be

DENIED

Denied, issued subject to prior rights, etc., as the case may be

and that an order be entered for such relief as the State Engineer deems just and proper.
