

IN THE OFFICE OF THE STATE ENGINEER OF THE STATE OF NEVADA

IN THE MATTER OF APPLICATION NUMBER 82100
FILED BY Daniel Stevens & Amy Stevens
ON September 10, 2012

PROTEST

Comes now William A. Nisbet, agent for Walker - Winecup - Gamble, Inc.,
Printed or typed name of protestant

whose post office address is 421 Court Street Elko, Nevada 89801-3527
Street No. or PO Box, City, State and ZIP Code

whose occupation is state water right surveyor and protests the granting

of Application Number 82100, filed on September 10, 2012

by Daniel Stevens & Amy Stevens for the

waters of unnamed spring situated in Elko
an underground source or name of stream, lake, spring or other source

County, State of Nevada, for the following reasons and on the following grounds, to wit:

The protestant is owner of certain decreed and permitted rights near and downstream from the point of diversion described in this application. In previous rulings (#3139, 4742, 4744, 4991) the state engineer concluded that "... the Thousand Springs decree fully adjudicates, allocates and describes the use of the waters of Thousand Springs Creek and its tributaries." The protestant asserts that there is no unappropriated water at this source, that such proposed use conflicts with existing rights, and that to grant the application would not, therefore, be in the public interest.

THEREFORE the Protestant requests that the application be denied
Denied, issued subject to prior rights, etc., as the case may be

and that an order be entered for such relief as the State Engineer deems just and proper.
