and protests the granting

of Application Number 82247

, filed on 30th day of October

, 20 12

by Southern Nevada Water Authority of Las Vegas, Nevada

for the

waters of an underground source per Cert. #16135 in Spring Valley (Basin 184) situated in White Pine

an underground source or name of stream, lake, spring or other source

County, State of Nevada, for the following reasons and on the following grounds, to wit:

The application does not request to change the "MANNER OF USE" stating water shall be used for "STOCKWATER (500 SHEEP)." The wells to be utilized referenced on file under 26952 and file under 45648 are designated for "IRRIGATION & DOMESTIC" use. Since the application shows the proposed work is already in use for Stockwater, are those well permits in violation of their applications on file? Item #8 per application requires to describe the acreage to be removed from irrigation, this information is not attached with the application. Item #1 states source of water as underground (Junkyard Well), junkyard well is not identified by well log number to all protestor to insure all conditions restricting the well are being adhered to.

THEREFORE the Protestant requests that the application be

DENIED

Denied, issued subject to prior rights, etc., as the case may be

and that an order be entered for such relief as the State Engineer deems just and proper.
