whose occupation is Consultant

of Application Number 82835, filed on May 31

by Washoe County

waters of Underground Source situated in Washoe

an underground source or name of stream, lake, spring or other source

County, State of Nevada, for the following reasons and on the following grounds, to wit:

This protest is filed to insure that adequate protections or observation equipment and procedures are required as a condition of issuance of this permit to monitor any impacts on my domestic well right, the portion of ground water right Permit # 11533, Certificate 3069 which is recorded in my name, and the portions of Truckee River Decreed rights Claims #ed 655 - 659 also recorded in my name. And if impacts are identified acceptable remedies are required. Some monitoring "ideas" are; not sealing the existing well but allow it to be used as an observation well; comparison of pumping records from the existing well compared to pumping from the new well; provide copies of well logs of both wells; provide copies of water level data recorded in the two wells; "appropriate" monitoring of the existing domestic wells closest to the existing County well; etc. Remedies should include costs of deepening existing wells if impacted in spite of the fact a public water system is in place.

THEREFORE the Protestant requests that the application be Issued subject to prior rights

Denied, issued subject to prior rights, etc., as the case may be

and that an order be entered for such relief as the State Engineer deems just and proper.
