waters of underground situated in Humboldt  
Underground or name of stream, lake, spring or other source

County, State of Nevada, for the following reasons and on the following grounds, to wit:

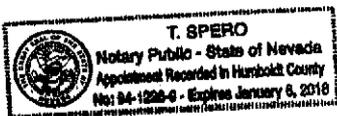

We are holders of permit # 22003 and 22213. Located in Sec 26 T36NR37E approximately 1 mile from the proposed diversion point. Additional pumping will affect not only our water rights but a significant number of domestic wells in this area. The extended drought will compound the problem if this change in the point of diversion is approved.

THEREFORE the protestant requests that the application be denied
