PROTEST

Comes now R. Michael Turnipseed, P.E. agent for Clark Joseph Guild & Catherine L. Guild

Printed or typed name of protestant

whose post office address is 204 N. Minnesota St. Carson City, NV 89703

Street No. or PO Box, City, State and ZIP Code

whose occupation is Civil Engineer / Consultant

and protests the granting

of Application Number 83478T, filed on January 27, 20 14

by West Fork Ranches for the

waters of Underground situated in Lyon The Proposed Place of use of Applica

an underground source or name of stream, lake, spring or other source

County, State of Nevada, for the following reasons and on the following grounds, to wit:

The Proposed Place of Use of Application 83478T covers about 340 acres. Even with the water added with 83478T there is no possible way that this water and Walker River Claim 163 can irrigate 340 acres. WRC 163 is only for 1.68 cfs under all priorities plus storage. Permit 73373 is only one mile away. Over pumping a well at the location might have drastic drawdowns on a certificated well under Permit 73373

THEREFORE the Protestant requests that the application be Denied

Denied, issued subject to prior rights, etc., as the case may be

and that an order be entered for such relief as the State Engineer deems just and proper.
