by Bedroc Limited

for the

waters of underground source

situated in Lincoln

an underground source or name of stream, lake, spring or other source

County, State of Nevada, for the following reasons and on the following grounds, to wit:

Permitting of this application is not within the public interest. Pumping of groundwater in the area could result in impacts to mesquite and acacia woodlands located on adjacent public lands. Particular concern is to potential impacts in future recruitment and regeneration of the woodland stands. These woodlands provide important and unique wildlife habitat for a variety of species. Additionally, similar water rights applications were denied in State Engineer Ruling 6255.
