whose occupation is a Political Subdivision of State of Nevada and protests the granting
of Application Number 83857, filed on May 22, 20 14
by Savage Companies for the
waters of Underground situated in Washoe
an underground source or name of stream, lake, spring or other source

County, State of Nevada, for the following reasons and on the following grounds, to wit:

Application 83857 is filed to appropriate 0.2 cfs and 10.00 acre-feet of ground water from the Honey Lake Valley hydro-graphic basin for Industrial & Domestic uses. State Engineer's rulings 3786 A, 3787 A, 6124 and 6265 clearly indicate that all ground water resources within this basin are fully appropriated. Ruling 6265 dated February 2014 denied Washoe County's pending ground water applications for any un-appropriated water within this basin. Therefore, based on the foregoing: 1) There is no un-appropriated water in the source, 2) Granting of the application would conflict with existing rights, 3) And could prove detrimental to public interest. Washoe County requests that in accordance with NRS 533.370.2 this application be Denied.

THEREFORE the Protestant requests that the application be Denied
Denied, issued subject to prior rights, etc., as the case may be
and that an order be entered for such relief as the State Engineer deems just and proper.
