STATE ENGINEER'S OFFICE

Comes now Jason Stanton Walters
whose post office address is Po Box 247 Gerlach NV 89412
whose occupation is Book seller and protests the granting
of Application Number 85263, filed on June 25th, 20 15
by Rodney St. Clair for the

waters of Tract 37 of Section 4 T36N R26E situated in Mud Meadows
an underground source or name of stream, lake, spring or other source

County, State of Nevada, for the following reasons and on the following grounds, to wit: The Black Rock Desert's limited water resources are already overappropriated in general. As the owner of Midian Ranch located at 1287 State Route 34 in Gerlach, I believe granting this application will -and is intended to- set a precedent for water exportation out of the Hualapai Flat where my property is located. That can never happen.
THEREFORE the Protestant requests that the application be Denied

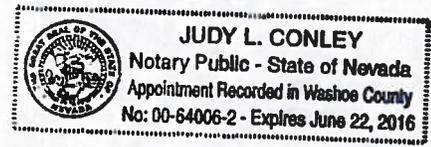

Denied, issued subject to prior rights, etc., as the case may be
and that an order be entered for such relief as the State Engineer deems just and proper.
