of Application Number 85263, filed on June 25, 20 15

by Rodney St. Clair

for the

waters of Double Hot Springs Well

situated in Mud Meadow - 026

an underground source or name of stream, lake, spring or other source

County, State of Nevada, for the following reasons and on the following grounds, to wit:

We protest the unlimited pumping of Humboldt County ancient ground water. We also feel the pumping of any ground water outside the county is setting a dangerous precedent, with potential to destroy our precious water resources. The affects of such pumping is unknown as well. The Black Rock Wilderness was proposed to preserve the unique landscape and habitats of a multitude of native species. The misuse of water, out of it's local will have a huge detrimental effect.

THEREFORE the Protestant requests that the application be

DENIED

Denied, issued subject to prior rights, etc., as the case may be

and that an order be entered for such relief as the State Engineer deems just and proper.
