

IN THE OFFICE OF THE STATE ENGINEER OF THE STATE OF NEVADA

IN THE MATTER OF APPLICATION NUMBER 85902
FILED BY Rodney St. Clair
ON April 4, 2016

FILED
APR 05 2016
STATE ENGINEER'S OFFICE

PROTEST

Comes now Humboldt County (Nevada)

Printed or typed name of protestant
whose post office address is 50 West Fifth Street, Winnemucca, Nevada 89445
Street No. or PO Box, City, State and ZIP Code

whose occupation is County Government and protests the granting

of Application Number 85902, filed on January 29, 2016

by Rodney St. Clair for the

waters of an underground source (Well BR-01) situated in Pershing County
an underground source or name of stream, lake, spring or other source

County, State of Nevada, for the following reasons and on the following grounds, to wit:

The Division of Water Resources has estimated the perennial yield of Basin 026 at 13,000 acre feet. There are currently 5,799.16 acre feet of committed groundwater rights in the Basin. The applicant has also filed Applications 85263, 85264 or 85901 to appropriate another 21,000 acre feet of groundwater from Basin 026. Granting either or all of Applications 85263, 85264 or 85901 in addition to 85902 would result in Basin 026 being over-appropriated in an amount exceeding at least 7,000 acre feet and as much as 21,000 acre feet. Said over-appropriations will likely adversely impair other more senior groundwater rights in the Basin.

THEREFORE the Protestant requests that the application be Denied

Denied, issued subject to prior rights, etc., as the case may be
and that an order be entered for such relief as the State Engineer deems just and proper.
