RULING

Application No. 15070 was filed on May 22, 1953 by Kenneth H. Moorhead to appropriate 2.5 c.f.s. of water from an underground source at a point in the NE $\frac{1}{4}$  SW $\frac{1}{4}$  Section 36, T. 21 S., R. 53 E., M.D.B.&M. for the irrigation of 160 acres of land in the SW $\frac{1}{4}$  Section 36, T. 21 S., R. 53 E., M.D.M.

The Bureau of Land Management has advised this office that Homestead Entry Nevada 013878, in the name of Kenneth H. Moorhead has been finally rejected and closed. Application No. 15070 was filed to appropriate water for the irrigation of the lands applied for under Homestead Entry Nevada 013878.

In view of the fact that the land is definitely closed for entry for agricultural purposes by the Government, Application No. 15070 is herewith denied on the grounds that the Applicant cannot gain entry to said land and therefore could not make beneficial use of the water applied for.

Respectfully submitted,

HUGH A. SHAMBERGER  
State Engineer
