

IN THE MATTER OF APPLICATION NO. 18368, FILED BY ROLLIN ECKIS, DBA SWEETWATER RANCH CO., TO APPROPRIATE UNDERGROUND WATER FOR IRRIGATION PURPOSES IN LYON COUNTY, NEVADA.

R U L I N G

General:

Application No. 18368 was filed to appropriate 3.0 c.f.s. of water from an underground source within the SW $\frac{1}{4}$ SE $\frac{1}{4}$ Sec. 36, T. 12 N., R. 23 E., M.D.B.&M., for the irrigation of 493 acres of land.

A protest to the granting of this application was filed on February 24, 1960, by Ambro Rosaschi on grounds that its granting would interfere with existing water rights.

It is the opinion of this office that there is unappropriated water in the source, and the well will not cause interference with other existing water rights.

RULING

The protest to the granting of this application is herewith overruled on grounds that its granting will not impair the value of existing water rights or be otherwise detrimental to the public welfare.

A permit will be issued under this application on receipt of the statutory permit fee and subject to the following provisions:

- (1) The water must be used in conjunction with present water supplies;
- (2) The water granted under the permit is limited to supplemental use and is appurtenant to the 333 acres having existing water rights.

Respectfully submitted,
