Application 19680 was filed in support of
Desert Land Application Nevada- 056462 . On October 6,
1961 , we were notified by the Bureau of Land
Management, Reno, Nevada, that they had rejected ~~closed~~
~~cancelled~~ the land application. As of the date of this
ruling, the applicant does not have control of the land
on which he plans to place the water to beneficial use.

RULING

Application 19680 is hereby denied on grounds
that the applicant does not have control of the land on which
he plans to place the water to beneficial use, and that its
granting would be detrimental to the public welfare.
