General:

A protest to the granting of Application 18415 was filed April 11, 1960, by Lester James Larson.

A field investigation was made by this office on November 4, 1962.

It is the opinion of this office that there is unappropriated water in the source and that the proposed well under the application will not interfere with the existing water rights.

RULING

The protest to the granting of this application is hereby overruled on the grounds that its granting will not impair the value of existing water rights or be otherwise detrimental to the public welfare.

Respectfully submitted,
