This application was submitted for action to the Las Vegas Valley Ground Water Board at their regular monthly meeting in February of 1964. At this meeting the Las Vegas Valley Ground Water Board recommended that this application be denied on grounds that water is available from the city of North Las Vegas.

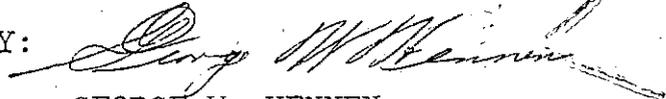

Ruling

Application 21552 is herewith denied on grounds that its granting would impair the value of existing water rights in the Las Vegas Artesian Basin and would be detrimental to the public welfare.

Respectfully submitted
